

## FOR LEASE – PRIME SHOWROOM / RETAIL SHOPLOTS

### Location

TPK Park – Section 2 Shoplots (Blocks A, B & C),  
Jalan TPK 2/8  
Taman Perindustrian Kinrara  
47180 Puchong, Selangor

---

### 1. Property Overview

- **Property Type:** 2-storey commercial shoplots – ideal for showroom, retail and customer-facing service use
- **Configuration:** Three (3) continuous blocks of 2-storey units (Ground Floor + First Floor)
- **Standard Intermediate Unit:** 22' by 80'
- **Frontage:** Street-front units along Jalan TPK 2/8 with good visibility and easy access for customers
- **Ownership & Management:** Single ownership with active landlord management and long-term place-making vision

**Note:** Detailed built-up areas, unit plans and availability list can be provided upon request.

---

### 2. Preferred Use

The landlord prefers tenants that strengthen the home & living positioning of TPK Park Section 2.

Suitable uses include (but are not limited to):

- **Home Improvement & Lifestyle Showrooms:** furniture, bedding, kitchens/wardrobes, curtains/blinds, tiles, sanitaryware, lighting, smart-home and related lifestyle products
- **Customer-Facing Centres & Specialist Uses:** interior design and renovation studios with display areas, training centres, academies, studios, clinics and wellness concepts with regular walk-in or appointment-based customers

- **F&B and Lifestyle Concepts:** cafés, dessert bars, bakeries and casual dining; destination concepts that tap into both daytime trade and evening/weekend crowds

**Note:** Pure office use and industrial/back-end warehousing are not preferred. Uses with a strong showroom, retail or customer-facing component will be prioritized.

---

### 3. Key Features

- Located in Section 2, the core Home & Living cluster within TPK Park
- Customer-friendly environment with convenient parking and easy drive-up access
- Short walking distance to 24-hour mamak, cafés and restaurants
- Growing concentration of showrooms and service-related businesses, supporting customer-facing brands
- Single-owner control enables consistent standards for signage, façade and tenancy mix

#### Parking Convenience

- Parking is currently free of charge, with ample bays available for customers and staff
- Total parking provision is more than double the local authority's minimum requirement

#### Professional Estate Upkeep (Landlord-Managed Common Areas)

- Daily cleanliness of common areas maintained by an on-site team
- Daily landscaping upkeep for a presentable, customer-friendly environment
- Common-area lighting for backlanes, corridors and building facades via common meter/supply, maintained at landlord's cost

#### On-Site Management & Tenant Support

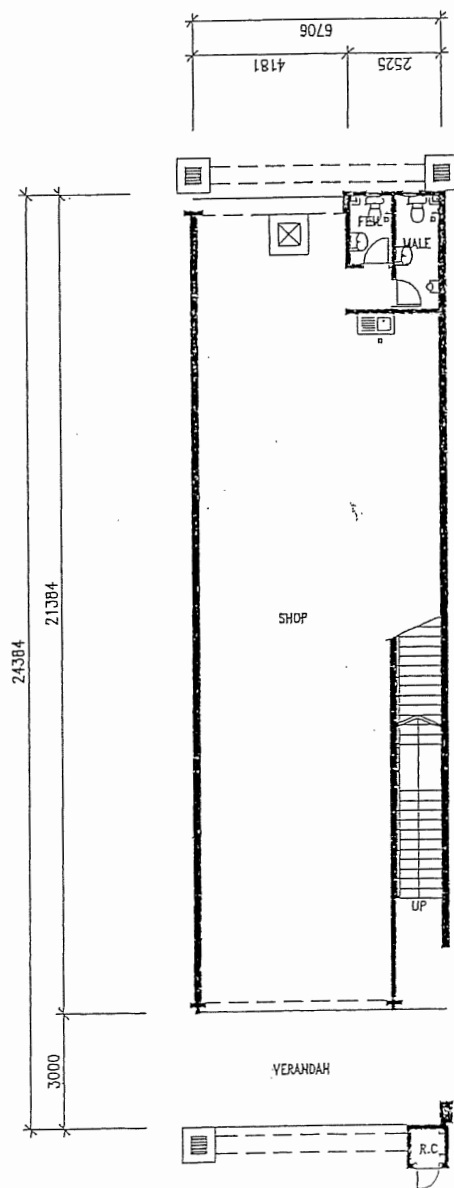

- Landlord's on-site management office located within TPK Park
- Full-time management/administrative team to attend to tenancy administration and day-to-day operational support
- Office hours: Mon–Fri 9:00am–5:00pm | Sat 9:00am–1:00pm

#### 4. Location & Accessibility

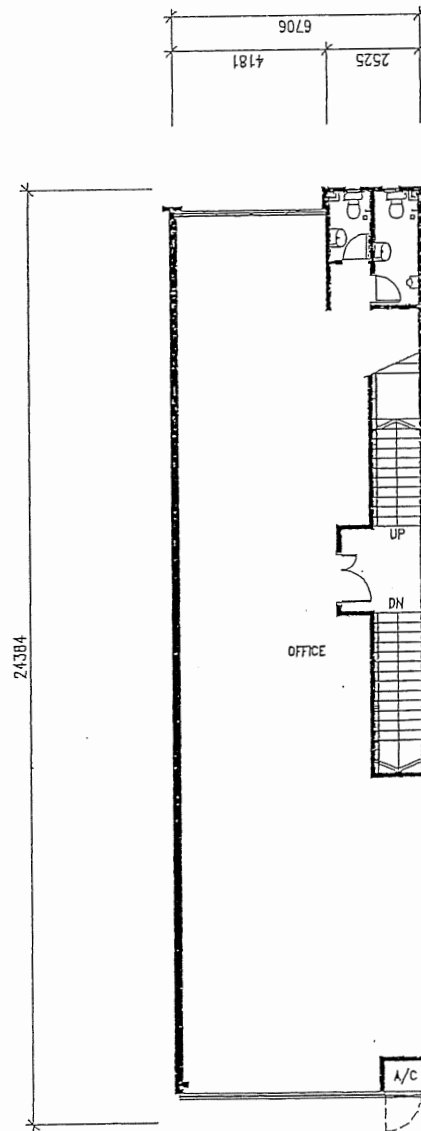

- Located within **TPK Park**, a privately-managed industrial and commercial precinct where the original developer remains a major long-term owner with an active role in its future direction
  - **Positioned in the key home & living hub for the Puchong–Bukit Jalil–Sunway corridor**
  - Served by Bukit Jalil Highway, with an **estimated 8.2 million vehicles per month**, providing strong exposure and easy access
  - Convenient connection to **Puchong, Bukit Jalil, Sunway, Subang, Sri Petaling** and the wider Klang Valley via major highways
  - Served by an **on-demand feeder service to BK5 LRT station**
  - Growing concentration of showrooms and service-related businesses, creating a supportive business environment for customer-facing brands
- 

#### 5. Tenancy Information

- **Availability:** Selected units available immediately; others by arrangement
- **Asking Rental (standard intermediate unit):**
  - Ground Floor: RM 8,300 per month
  - First Floor: RM 3,600 per month
- **Other units:** Corner units, larger configurations and specific positions may be priced differently
