DETACHED WHOLE-BUILDING OPPORTUNITY

A standalone building for customer-facing brands

No. 7, Jalan TPK 2/4 offers a detached building format suited for businesses that need more than a standard shoplot or factory unit. The property combines showroom potential, office accommodation, service / delivery areas and private external compound space.

Its detached format gives the occupier a stronger brand presence, easier customer identification and greater flexibility in planning internal display, consultation, office and operational areas.

Quick Facts

Address	7, Jalan TPK 2/4, Taman Perindustrian Kinrara, 47180 Puchong, Selangor
Property Type	Detached industrial / showroom building
Land Area	1,980.32 m2 (approx. 21,316 sq ft)
Built-Up	1,018.65 m2 (approx. 10,965 sq ft)
Storeys	2 (Ground Floor + First Floor)
Lease Format	Whole building to a single tenant
Rental	RM58,000 per month

PREFERRED TENANT PROFILE

Designed for showroom, brand centre and destination retail use

The landlord prefers tenants with a retail or showroom focus, especially businesses that complement the existing trade mix at TPK Park.

Automotive & Mobility

Showroom, service reception, accessories, detailing, EV-related concepts and mobility brands.

Home Improvement

Furniture, interiors, kitchen and wardrobe, curtains and blinds, tiles, sanitaryware, lighting and building materials.

Corporate Brand Centre

Product display, sales gallery, consultation centre, training centre or customer-facing office.

Destination Retail

Specialist concepts that attract regular walk-in or appointment-based customers.

Use Positioning Note

Heavy manufacturing and pure storage / warehousing uses are not the preferred positioning unless supported by a meaningful showroom or customer-facing component.

WHY THIS BUILDING STANDS OUT

A practical flagship format with corporate frontage and operational convenience

Detached corporate presence

A standalone building gives the tenant stronger identity, signage potential and a more professional arrival experience.

Efficient 2-storey layout

Regular floor plates of approx. 21 m x 24 m per level allow flexible planning for showroom, office and support functions.

Private external compound

The surrounding compound supports customer parking, light loading / unloading, deliveries and day-to-day operations.

Auto & showroom positioning

Back-to-back with the new Perodua 3S centre, enhancing automotive and showroom positioning.

Convenient amenities nearby

Short walking distance to 24-hour mamak, cafes and restaurants for staff and visitors.

HOME, AUTO & LIFESTYLE ECOSYSTEM

Located within TPK Park's growing destination cluster

TPK Park is a privately managed industrial and commercial precinct where the original developer remains a major long-term owner with an active role in estate direction, tenant mix and place-making.

The property benefits from TPK Park's growing concentration of Home & Living, Auto Hub and Lifestyle operators, creating a supportive environment for customer-facing tenants.

8.2 million

estimated vehicles per month along Bukit Jalil Highway

Recognised by The Malaysia Book of Records - 2026

Strategic Corridor

Serving the Puchong - Bukit Jalil - Sunway corridor.

Regional Access

Convenient connections to Puchong, Bukit Jalil, Sunway, Subang, Sri Petaling and wider Klang Valley.

Public Transport Support

Served by an on-demand feeder service to BK5 LRT station.

Business Ecosystem

Home, Auto & Lifestyle mix supporting customer-facing brands.
